

ABOUT SPECIAL OLYMPICS

Special Olympics is a 501(c)(3) private, non-profit organization headquartered in Washington, DC.

Founded in the early 1960s, when Eunice Kennedy Shriver saw how unjustly and unfairly people with intellectual disabilities were treated. She also saw that many children with special needs didn't even have a safe place to play. She decided to take action initiating a summer day camp for young people with intellectual disabilities in her own backyard. The goal was to learn what these children could do in sports and other activities, and not dwell on what they could not do. This vision eventually grew into the global Special Olympics programs we know today.

In December 1971, The U. S. Olympic Committee gave Special Olympics official approval as one of only two organizations to use the name "Olympics" in the United States. In February 1988, The International Olympic Committee (IOC) signed an agreement officially endorsing and recognizing Special Olympics.

At the local level, Special Olympics is an all volunteer program and 100% of all donations and funds raised go directly to maintain our local activities. Uniforms, athletic supplies, meals, transportation and lodging are provided to our athletes, free of cost. Special Olympics are year round programs that give children and adults with intellectual disabilities the opportunity to develop physical fitness, demonstrate courage, and experience the joy of competition. Witnessing the courage of these athletes to overcome their disabilities is a humbling experience.

Special Olympics need your support to maintain these programs. It is our hope that you will be able to become a sponsor, a vendor and /or participant in our Special Olympics Golf Event.
